

Children's Pollinator Gardens

The Gardens

The Butterfly, completed in 2015

The Dragonfly, completed in 2017

The Bee, completed in 2019

Design: Judy Code

Enhanced: Computer Aided Design

Built: Bill Quinnell and his landscape crew

These uniquely shaped gardens can only be found in Northfield, and two of them are now visible on Google Earth.

Our community depends on pollinators for our food.

These gardens are maintained each year by the Northfield Garden Club.
